

RUDER NEWS

Teacher Professional Development

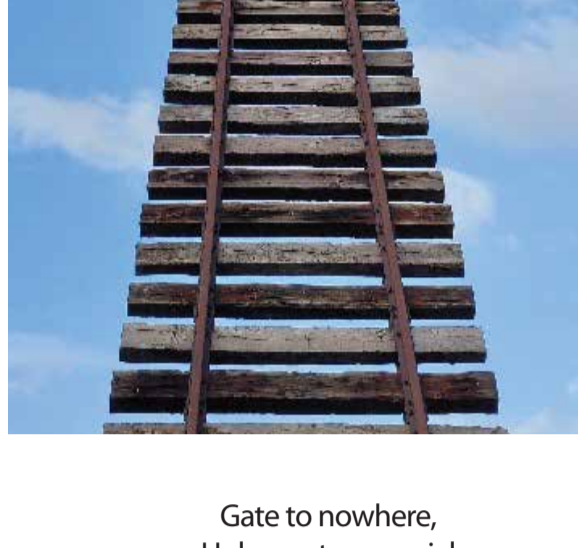

Our biology teacher, Vesna Hlavati Širka, participated in the Epigenetics Explained course aimed at secondary-school STEM teachers across Europe, organised by the European Molecular Biology Laboratory (EMBL) Science Education and Public Engagement (SEPE) team in Heidelberg, Germany. The course was held from 2-4 March 2026 at EMBL's EMBL Heidelberg campus.

At the end of the course, Vesna was certified as an EMBL Teacher Ambassador, granting her access to the EMBLconnect scheme. As an Ambassador, she will be able to deliver epigenetics workshops in our country, bringing cutting-edge life science education to classrooms across Serbia.

Our History teacher, Staša Lučić, participated in the international seminar Venues of Victims/Venues of Perpetrators held in the Czech Republic from 9 to 15 March 2026. This event is part of a series on the culture of remembrance, with prior events held in Croatia and Germany. The project is envisioned and coordinated by The European Youth Education Centre (EJBW) from Germany and Retrovizor from Croatia. The host organisation for this event was Antikomplex from the Czech Republic.

The seminar was attended by participants from 11 countries: Finland, Croatia, Slovenia, Greece, Italy, France, Germany, Hungary, Poland, the Czech Republic and Serbia. Participants were educators in both formal and non-formal education, museum and archive professionals, and NGO employees. Special focus was placed on the Czech perspective of the Holocaust and the post-war communist period.

Fresh Changes at the School Canteen

In March, the school canteen introduced a new way of serving meals. Self-service lines have been set up, giving students the opportunity to choose what to put on their plate and how much. In addition to encouraging student autonomy, meal service times have also been reduced. In addition to self-service will be extended to primary school students in Grades 1, 2 and 3, with staff assistance of course. We would like to take this opportunity to commend all our students for their responsible and exemplary conduct in the school canteen.
